CENTRAL INTELLIGENCE BULLETIN

6 October 1964

DAILY BRIEF

Cuba: The Cubans continue to make adjustments in the air defense system installed by the Russians.

25X1

In addition, Cuban early warning capabilities are being improved by the relocation of some radar equipment, and by the establishment of a new early warning radar site on the Isle of Pines.

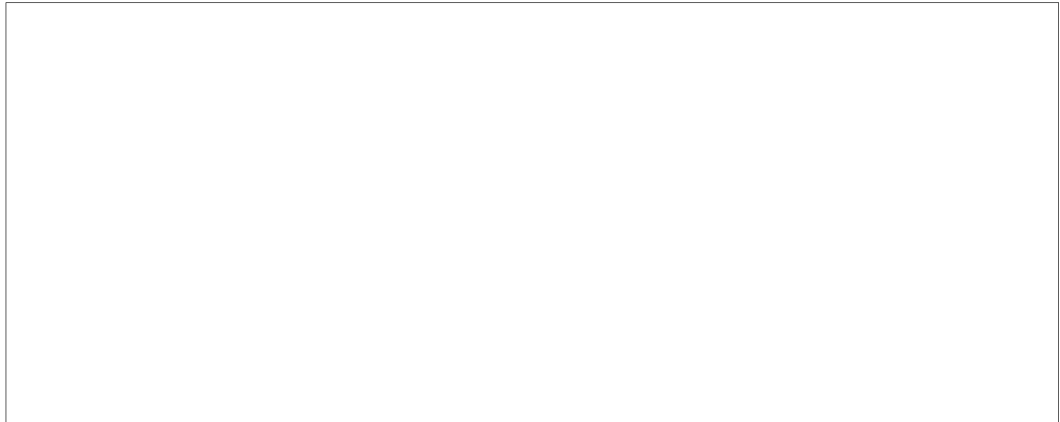

25X1

Ecuador: Guayaquil was quiet yesterday after a week end of antigovernment street demonstrations. In its effort to restore order, the ruling military junta largely yielded to the demands of the local leaders by agreeing both to withdraw tax reforms in Guayaquil and to release the political prisoners that were taken into custody last week. The junta's capitulation may seriously weaken its grip on power as well as its ability to proceed with basic reforms.
